Ohio University | Athens, OH
Bachelor of Science in Computer Science

August 2022 – May 2023

Relevant Courses

- Non-Linear Data Structures & Algorithms, Computer Architecture, Object Oriented Programming, Linear Algebra.

PROJECTS

Portfolio Site | JavaScript, HTML, Tailwind CSS

braeton-morris.com

- Designed and developed a personal website to showcase complete and in-progress projects.
- Features insights into my hobbies, passions, and technical skills in web development.

AI Image Display | Raspberry Pi 4, JavaScript

- Developed a JavaScript application that leverages the OpenAI API (DALL-E 3) to generate random AI images.
- The generated images are displayed on a small screen connected to the Raspberry Pi with periodic updates, making it a unique and dynamic piece of decoration.

Popcorn Pals | React, JavaScript, Tailwind CSS

(Work in Progress)

- Developing a website that allows users to collaborate on movie watchlists, share reviews with friends, and schedule/vote on upcoming watch parties.
- Integrating *The Movie Database* API to display trending movies and provide detailed data on each film, while also linking and tracking user accounts for data management.

Weather App | JavaScript, HTML, CSS

- Designed and implemented a web app to display real-time weather data using the *OpenWeatherMap* API, enabling city-based searches for temperature, humidity, and other weather conditions.
- Applied responsive design elements to create a visually appealing user interface, suitable for various devices.

WORK EXPERIENCE

Padrone's Pizza | Defiance, OH

Jan 2025 – Present

Delivery Driver/Kitchen Aid

- Maintains accurate transaction records and handles cash and electronic payments with accuracy and speed.
- Ensure clear communication with customers and coworkers to provide prompt, courteous service while limiting customer issues.
- Effectively adapts to fast-paced kitchen duties when needed, making use of effective collaboration, cleanliness, and attention to detail in food preparation.

Harbor Mental Health Services | Toledo, OH

June 2023 – October 2024

Career Coach

- Worked in vocational services to aid disabled youth and adults in exploring interests which can be transitioned into the workforce, helping clients with becoming acclimated to new jobs to ensure job retention.
- Supervised and tutored clients on job performance, which ensured clients completed their jobs to employer satisfaction.
- Maintained daily notes on client progress in the workforce, coordinated training and supervision, and provided weekly progress reports to parents and counselors.
